

Your new Kitesurf Adventure App!

Guide for

Check In

Start!

Once verified and downloaded, return to the app and log in using your registered email and password

After logging in, go to the profile page

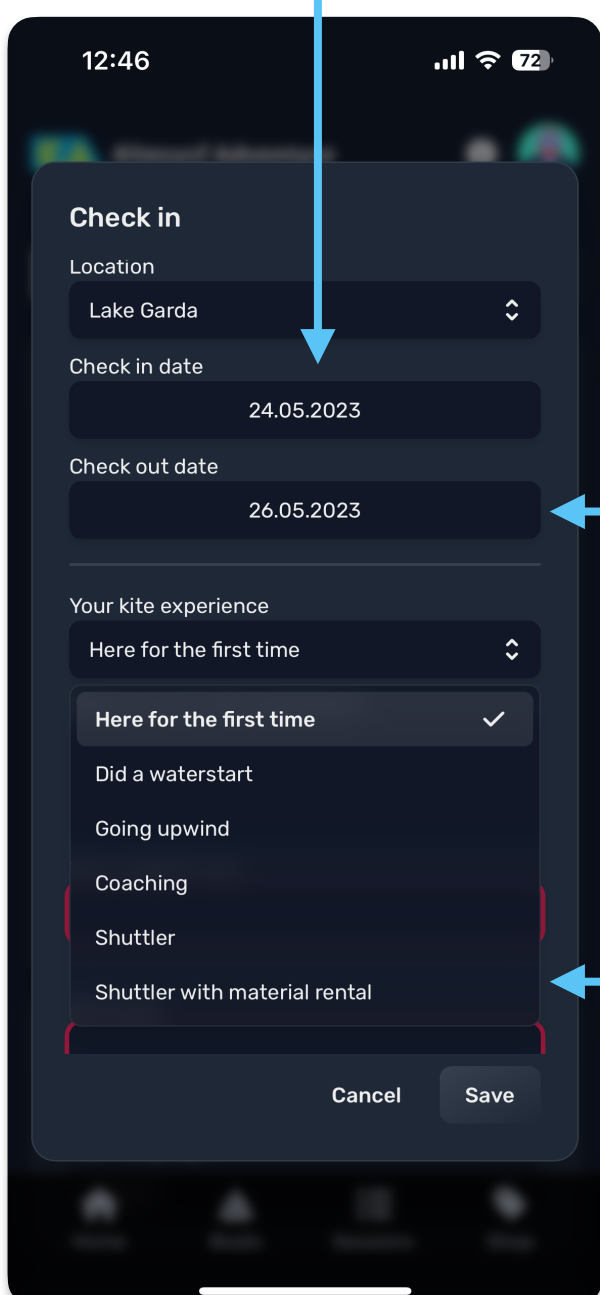

Note: Adding a profile picture helps us to identify you!

Tap on the "Check in" button

Choose the location where you want to check in

Check in date:

Select the date of your first kitesurf lesson or shuttle session

Check out date:

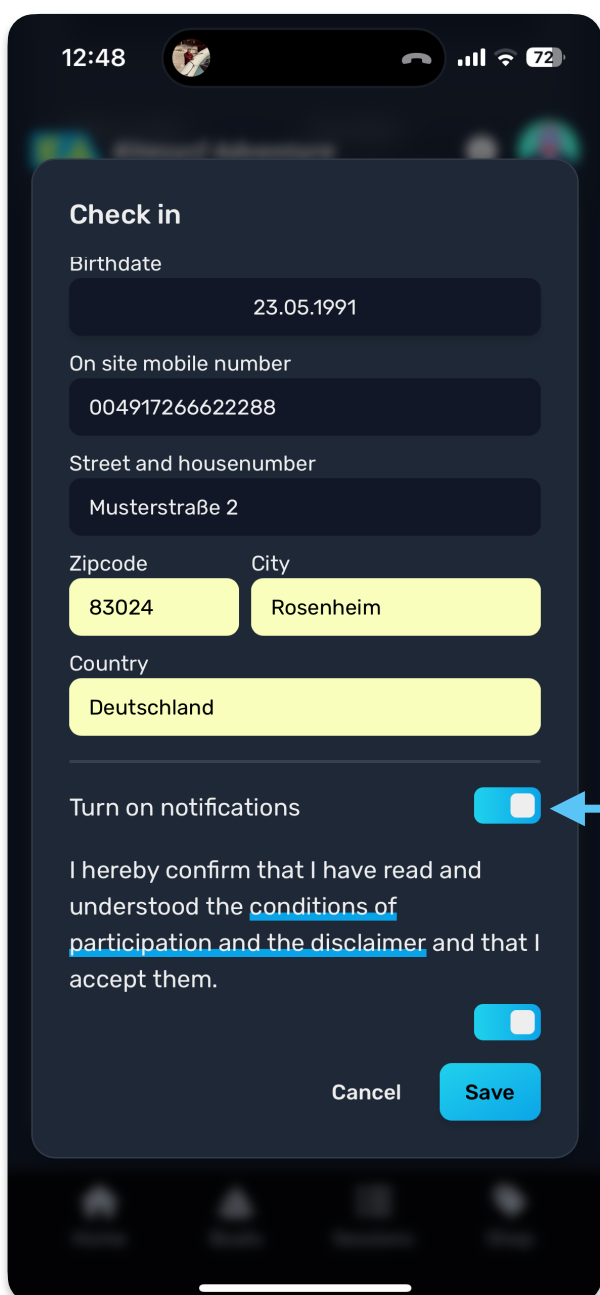

Select the date when you have to leave the location

Note: You can check in any time before your kitesurf adventure starts!

Select your level of kitesurf experience

Complete the check-in process by providing all the required information

Note: We need those for the daily planning!

Make sure to carefully read and accept the terms and conditions of participation

Once all information is provided, tap the "Save" button to complete the check-in process

Congratulations! You have successfully registered, verified your email, and completed the check-in process on the app.

Thanks for checking in at our Kitesurf Center!
